Independent Auditor's Report

Board of Directors
Building Futures with Women
and Children, and Subsidiary
San Leandro, California 94577

I have audited the accompanying financial statements of Cornerstone Community Development Corporation dba Building Futures with Women and Children, and Subsidiary (nonprofit organizations), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Building Futures with Women and Children, and

Subsidiary as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

I have previously audited the Building Futures with Women and Children, and Subsidiary's 2015 financial statements, and my report dated March 25, 2016, expressed an unmodified opinion on those audited financial statements. In my opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The additional information presented on page 18, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated March 25, 2017, on my consideration of Building Futures with Women and Children, and Subsidiary's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Building Futures with Women and Children, and Subsidiary's internal control over financial reporting and compliance.

BUILDING FUTURES WITH WOMEN AND CHILDREN, AND SUBSIDIARY
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2016

NOTE A - ORGANIZATION

General – Building Futures with Women and Children (the Organization) is a California nonprofit public benefit corporation established in 1986. The Organization's legal name is Cornerstone Community Development Corporation. The Organization was previously known as San Leandro Shelter for Women and Children. The Organization's mission is to build communities with underserved women and children where they are safely and supportively housed, free from homelessness and family violence. In 1999, the Organization established a wholly owned subsidiary, Bessie Coleman Court, Inc., a nonprofit public benefit corporation, to develop, own, and operate safe, decent, and affordable housing for women and children.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Reporting - The Organization maintains its accounting records on the accrual basis of accounting.

To ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts of the Organization are maintained in accordance with the principles of fund accounting. Fund accounting is the procedure by which resources for the various programs are classified for accounting and reporting according to the activities and objectives specified by donors, grantors, officials and governing boards. Separate accounts are maintained for each program.

Estimates - In preparing financial statements in conformity with Generally Accepted Accounting Principles, management must make estimates based on future events that affect the reported amounts of assets and liabilities; the disclosure of contingent assets and liabilities as of the date of the financial statements; and revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents - The Organization's cash and cash equivalents balance consists of amounts held in checking and savings accounts in large financial institutions.

Property and Equipment - Furniture and equipment are stated at cost. Donated equipment is recorded at its estimated fair market value. Expenditures for property and equipment are capitalized. Depreciation for property and equipment is calculated using the straight-line method over the useful life of each asset. The useful life of these assets ranges from three to fifty-nine years. When assets are retired or sold, the related cost and accumulated depreciation are removed from the accounts and any gain or loss arising from such disposition is included as revenue or expense. Expenditures for repairs and maintenance are charged to expense as incurred.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2016

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements – Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Organization determines the fair values of its assets and liabilities based on a fair value hierarchy that includes three levels of inputs that may be used to measure fair value.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 inputs are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the assets or liability. Unobservable inputs reflect the Organization's own assumptions about the assumption market participants would use in pricing the asset or liability (including assumptions about risk). Unobservable inputs are developed based on the best information available in the circumstances and may include the Organization's own data.

Consolidating Eliminating Entries - Eliminating entries are present to reduce inter-company receivables and payables to avoid inflation of the total assets and total liabilities on the consolidated balance sheet.

Donated Materials and Services - Donated materials are recorded at their fair value at the date of donation. In addition, a substantial number of individuals have donated significant amounts of their time to the Organization, primarily through program activities. These services are reflected in the accompanying financial statements using a valuation of the services based on an estimate of the fair value at the time of the donation. Donated services by individuals providing administration services are not recorded as donated services as there are no special skills required for these services. During the year ended June 30, 2016, the Organization received approximately 600 hours of volunteer administrative services. The Organization received over 2,000 hours of volunteer meal service for the shelter programs.

Functional Allocation of Expenses - Costs of providing the various programs have been summarized on a functional basis in the accompanying statement of functional expenses.

Income Taxes - The Organization is a Section 501(c)(3) organization exempt from income taxes under Section 501(a) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. There was no taxable unrelated business income during the year ended June 30, 2016.

YEAR ENDED JUNE 30, 2016

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions and Grant Revenue - The Organization receives contributions and grants from corporations, foundations, charitable organizations and individuals. The Organization has adopted the provisions of Accounting Standards Codification FASB ASC 958-605 and FASB ASC-958-210-45.

The provisions of FASB ASC 958-605-25 require the Organization to recognize contributions and grants as either temporarily or permanently restricted support, if they are received with donor stipulations that limit the use of the contribution or grant. When a temporary restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

All other contributions are recognized upon receipt. Performance revenue is recognized as earned. Amounts received but not yet earned are reported as advances.

Other support and revenue, such as interest income, proceeds from fund-raising, and expenses, are accounted for using the accrual method. Government contracts include federal pass-through funds, which are identified in the Schedule of Expenditures of Federal Awards.

Financial Statement Presentation - Under Accounting Standards Codification (FASB ASC 958-210-4, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted and temporarily restricted and permanently restricted net assets. The Organization currently has no assets that are permanently restricted.

Summarized Financial Information for 2015 - The financial information for the year ended June 30, 2015, presented for comparative purposes, and is not intended to be a complete financial statement presentation.

Reclassifications - Certain reclassifications have been made in the 2015 comparative totals to conform to the classifications used in 2016.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2016

NOTE G – LONG TERM DEBT (Continued)

Forgivable Loans:

A loan from the City of San Leandro, in the amount of \$180,000, was received during June 1999. This loan consists of \$27,862 used towards predevelopment costs and \$152,138, used toward the safe house purchase price. The purchase of the safe house occurred during July 1999, at which time the \$152,138 was transferred to the purchase escrow account. The term of the loan is 30 years with deferred payment of principal and interest. Simple interest at the rate of 2% per annum is due on July 1, 2029. The loan (principal and interest) will be forgiven on July 1, 2029 if the Organization uses the house purchased, as a safe house, for the full term of the loan. The loan will be due if and when the safe house is sold prior to the expiration of the 30 year loan period. On July 18, 2007, the loan was amended to include retroactive forgiveness of the principal and interest on an annual basis, each June 30. 1/30th of the loan will be forgiven each year. As of July 18, 2007, eight years' of principal, totaling \$48,000 and all the accrued interest, were forgiven. The loan balance as of June 30, 2016 was \$79,000.

A loan from the City of San Leandro, in the amount of \$50,000, was received on July 1, 2008, which was increased to \$100,000 on September 25, 2012. This loan is for capital improvements to be made on the safe house. The term of the loan is 20 years from the date the loan is fully funded (July 1, 2013), with deferred payment of principal and interest. Simple interest at the rate of 3% per annum is due on the loan. The loan (principal and interest) will be forgiven on an annual basis at a rate of 1/20 of the principal and interest, beginning on the anniversary of the Forgiveness Commencement Date (July 1, 2013). The loan will be due if and when the safe house is sold prior to the expiration of the 20 year loan period. The balance of the loan at June 30, 2016 was \$90,000.

A loan from the California Department of Housing and Community Development, in the amount of \$459,213, was received on January 22, 2013. This loan is for capital improvements to be made to the safe house. The term of the loan is 7 years from the date the Notice of Completion is recorded, with deferred payment of principal and interest. Simple interest at the rate of 3% per annum is due on the loan. The loan (principal and interest) will be forgiven at the maturity date of the Note. The loan will be due if and when the safe house is sold prior to the expiration of the 20 year loan period. The loan balance as of June 30, 2016 was \$459,214.

A loan, in the amount of \$305,160, was obtained from the County of Alameda on June 6, 2013, for the rehabilitation of the safe house and the refinance of two loans above in the amounts of \$55,660 and 149,500 originally obtained for the purchase of the safe house. The term of the loan is 44 and one half years with deferred payment of principal and interest. The loan will accrue simple interest at 3% per annum beginning on July 1, 2013 and is secured by a Deed of Trust from the Organization.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2016

NOTE G – LONG TERM DEBT (Continued)

The Organization deems the default of any of the above notes due to unallowed operations remote since the use of the safe house and Bessie Coleman Court property facilitates the mission of the Organization.

NOTE H - COMMITMENTS AND CONTINGENCIES

The Organization conducts its administrative operation in San Leandro on premises leased from Praises of Zion Church. The current lease is \$4,750 per month on a month to month basis.

The Organization conducts its operation in San Leandro on premises leased from St. Leander's Catholic Church on a month to month basis at \$2,000 per month. The current lease expired on December 31, 2011.

The Organization leases the Midway shelter site, at \$0.

The Organization leases two copy machines for \$190 per month through June 3, 2021.

The Organization entered into an operating agreement with Alameda Homeless Network to operate the Midway shelter on October 1, 2000. As part of the agreement, Alameda Homeless Network will grant the Organization \$50,000 or 18% of the operating costs, whichever is greater, per year, to be used for the operation of the program. The agreement was amended to increase the Alameda Homeless Network grant to \$65,000 beginning with the year ended June 30, 2005.

Bessie Coleman Court, Inc. entered into a 59 year lease, on April 23, 1999, for sublease of the buildings 531, 532, and 533 along with the adjacent open space and parking area, now known as Bessie Coleman Court, at Alameda Point. The lease was donated and no future annual cost is to be incurred by Bessie Coleman Court, Inc.

Grant awards require the fulfillment of certain conditions as set forth in the instruments of grant. Failure to fulfill the conditions could result in the return of the funds to the grantors. The Organization deems this contingency remote since by accepting the grants and their terms it has accommodated the objectives of the organization to the provisions of the grant. Management is of the opinion that the organization has complied with the terms of all grants.

The Organization receives a substantial amount of its support from the State of California, Alameda County, City of San Leandro and the City of Alameda. The Organization's programs and activities are dependent upon the availability of these funds. A significant reduction in the level of government support may impact the ability of the Organization to remain a going concern. The amount that would be considered a significant reduction in funding from government agencies cannot be determined as of the financial statement date.

NOTE H - COMMITMENTS AND CONTINGENCIES (Continued)

The Organization has instructed its independent auditors to audit the cost related to U.S. government funds to ensure compliance with Circular A-133 issued by the U.S. Office of Management and Budget for the year ended June 30, 2016. Management believes that matters arising from governmental agencies' review of the independent auditors' reports for the year ended June 30, 2016 will not have a material effect on the financial position of the organization.

NOTE I – NET ASSETS

At June 30, 2016, the Organization's temporarily restricted net assets consisted of the following grants:

Building Futures with Women and Children

Episcopal Charities	\$10,000
Verizon Foundation	<u>5,000</u>
Total Temporarily Restricted Net Assets	<u>\$15,000</u>

BCC, Inc.

Net Property and Equipment	<u>\$2,607,295</u>

and Children, and Subsidiary
San Leandro, California 94577

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Building Futures with Women and Children, and Subsidiary (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated October 16, 2016.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered Building Futures with Women and Children, and Subsidiary's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Building Futures with Women and Children, and Subsidiary's internal control. Accordingly, I do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Building Futures with Women and Children, and Subsidiary's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

Board of Directors
Building Futures with Women
and Children, and Subsidiary
San Leandro, California 94577

Report on Compliance for Each Major Federal Program

I have audited Building Futures with Women and Children, and Subsidiary's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Building Futures with Women and Children, and Subsidiary's major federal programs for the year ended June 30, 2016. Building Futures with Women and Children, and Subsidiary's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable its federal programs.

Auditor's Responsibility

My responsibility is to express an opinion on compliance for each of Building Futures with Women and Children, and Subsidiary's major federal programs based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Building Futures with Women and Children, and Subsidiary's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination on Building Futures with Women and Children, and Subsidiary's compliance.

Opinion on Each Major Federal Program

In my opinion, Building Futures with Women and Children, and Subsidiary complied, in all material respects, with the types of compliance requirements referred to above that could

have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Internal Control over Compliance

Management of Building Futures with Women and Children, and Subsidiary is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered Building Futures with Women and Children, and Subsidiary's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine my auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Building Futures with Women and Children, and Subsidiary's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
